SR³

Mission Statement

SR³ is a group of high school students from across Milford interested in “changing the norm.” We are interested in fostering self-respect, respect for others and their property, and respect for the environment. It is our goal to raise awareness on the differences between perception and reality, stereotype and truth. Together we can strengthen our community from within and have a positive impact on our own lives, as well as the lives of those around us.

Milford Where Respect Shines

During May, National Respect Month, Milford’s Promise runs a large campaign to identify Respect Stars and Ambassadors of Respect at each school.

Milford’s Promise looks for students that exemplify the message of RESPECT to their peers.

SR³ congratulates this year’s honorees.
